Subject: Notification of call for applications for International Exchange Program of the Engineering Schools

# **Call for Applications**

International Exchange Program (Outbound) of the Engineering Schools

We are pleased to announce a call for applications for the **International Exchange Program (Outbound) of the Engineering Schools**. Students who wish to apply for this exchange program must submit the below documents to the International Cooperation Office of the Engineering Schools.

Before applying, students must read through <u>the website</u> and comply with the guidelines. <u>http://www.eng3.e.titech.ac.jp/~inter/inter-e-exchange.html</u>

- Program Categories Open for Application: (C1 \*Sorbonne Université/ Technical University of Madrid (UPM) /RWTH Aachen/ U of Wisconsin-Madison)) ~ (C4)
- Period of start studying abroad: Between September ~ December 2019
   \*The period of stay shall not be less than 2 months.
- Prospective Applicants: Students who are enrolled in a master's or doctoral degree program at the Engineering Schools (School of Engineering, School of Materials and Chemical Technology, and School of Environment and Society) as of April, 2019
  - Working adult students are **NOT** eligible.
- Deadline: Noon on Tuesday, May 21, 2019
  - Applications that arrive after this deadline will not be processed, regardless of reason.
- ♦ Interview: Afternoon on Wednesday, May 29, 2019
  - Details regarding location and time for the interview will be notified by email after the submission of the application documents.
  - If an applicant is unable to attend the interview for legitimate reasons, the <u>Statement of Reason</u> must be submitted with the other application documents to request the interview to be scheduled for a different time. The applicant may not request to reschedule the interview after the submission of the application.
  - No special measures shall be taken for reasons such as suspension due to infectious diseases (e.g. the flu) or external factors (e.g. traffic delays), so please apply with time to spare and under the thorough management of your physical condition.

# ♦ Application Documents:

- ✓ Incomplete applications and applications received after the deadline will not be accepted under any circumstances.
- $\checkmark$  Submitted documents will not be returned.
- 1) <u>Application form</u> (Please use the latest version.)
- 2) Resume in English (Free format. Click <u>here</u> for sample resume.)
- 3) A copy of your English language test scores (TOEFL® or TOEIC® score report)
  - a. Some universities may have their own English language requirements, such as TOEFL iBT® or IELTS scores. The applicant must check with the university in which he/she wishes to enroll.
  - b. Applicants may submit a new, better score report to the interviewers in person during the interview.
- 4) Academic Transcript in English (and Japanese if any) The transcript must include your academic record of the previous year. Students in their first year of a master's degree program must attach their undergraduate final grade academic transcripts.
- 5) <u>Recommendation Letter</u> by Academic Supervisor (Please use the latest version.)
- 6) Statement of Reason (Free format)

- C3-b applicants who cannot apply for or was rejected by the <u>university-wide program conducted by</u> <u>International Student Exchange Division</u> (See the link)
- All C4 applicants (Both by applicants and by their Chair of Department, Head of Graduate Studies or academic supervisor)
- 7) A copy of the email that shows the applicant get acceptance consent from a host professor
  - All C3 and C4 applicants
  - Some C1 and C2 applicants who already have the consent above for any reason

# • How to Submit the Application Documents:

- Hard copies of documents 1), 2), 3), 4) 5) (*and 6*), 7) *if applicable*) above must be submitted by campus mail or by hand to the International Cooperation Office of the Engineering Schools.
- The documents must be **single-sided A4** copies. **Clip** all sheets together. (Please do not staple.)
- Documents 1) [Word], and 2) [PDF] above must **also** be submitted **by email**.

## Where to Submit or Inquire:

International Cooperation Office, Engineering Schools Main Bldg., Floor 2, Rm 249 [Mailbox: H-106] 2 3969 ⊠ ko.intl@jim.titech.ac.jp

#### ♦ Application Guidelines:

ProgramThe Engineering Schools offer an international exchange program thaOutlinecategories, (C1), (C2), (C3), (C4), and (C5). Study abroad expenses are pa	
successfully nominated students. Based on the Engineering Schools' funding policy for its international exfinancial support is provided for 1) Outbound students who will participate in research under the supervi	rtially provided to xchange program,
in the host university 2) Outbound students who will conduct research to broaden their own re	esearch field
Students engaging in the following are <b>NOT</b> eligible to receive funding thro 1) Joint research between an overseas university and Tokyo Tech	ough this program.
2) Research related to students' thesis research or doctoral dissertation	
3) Study abroad solely focusing on acquiring course credits	
Call forAnnouncements will be made on the Engineering Schools' website and a each faculty who belongs to the Engineering Schools.	also will be sent to
Eligibility 1) Students on leave of absence are NOT eligible.	
2) Applicants planning to study in their home country are NOT eligible.	
3) Consideration will be given to students who actively participate in inte	ernational activities
	iention this in the

	<ul> <li>Tech. Please confirm the detailed and latest information about this with Student Support Division (gak.sei@jim.titech.ac.jp).</li> <li>If other scholarships or financial support are provided to students by Tokyo Tech, the amount of the financial support under this program will be adjusted.</li> </ul>
Important Points to Note	<ul> <li>Applicants must carefully determine their period of study abroad, taking into consideration the academic calendars of Tokyo Tech and the university in which they wish to enroll. The International Cooperation Office of the Engineering Schools will NOT coordinate schedules of students with classes or courses at Tokyo Tech. It is the applicant's responsibility to manage his/her own schedule.</li> <li>Applicants for (C2) should note that some universities require applications to be completed approximately 3 months prior to enrollment.</li> </ul>

# • Grade Requirements:

Students applying for categories (C1), (C2), (C3), and (C4) must state their GPA for the previous academic year in their application form. GPA must be calculated based on the calculation method below and applicants must have a GPA of 2.3 or higher.

			Grad	e Conversion Ta	able		
	Grade						
Four-level (Type 1)	grading	scale	—	Excellent	Good	Fair	Fail
Four-level (Type 2)	grading	scale	_	А	В	С	F
Four-level (Type 3)	grading	scale	_	100-80	79–70	69–60	59 or lower
Five-level (Type 4)	grading	scale	100-90	89-80	79–70	69–60	59 or lower
Five-level (Type 5)	grading	scale	S	А	В	С	F
Five-level (Type 6)	grading	scale	А	В	С	D	F
Grade Evaluation Point (GEP)		3	3	2	1	0	
(Number of Cre	edit for GEP3 x	(3) + (Numl		P2 X 2) + (Number of al Number of Credits	Credit for GEP1 x 1	) + (Number of Cre	dit for GEP0 x 0)

First, refer to the above table to convert your grades to Grade Evaluation Points (GEP) and calculate the following.

- I The number of credits with a GEP of 3 multiplied by three
- II The number of credits with a GEP of 2 multiplied by two
- III The number of credits with a GEP of 1 multiplied by one
- IV The number of credits with a GEP of o multiplied by zero

To calculate your GPA, divide the sum of I, II, III, and IV by the number of total credits earned.

- Supplements
- The Engineering Schools' partner universities show their own requirements. See the links [C1: <u>SERP</u>] [C2-a: <u>AOTULE</u>] [C2-b: <u>AOSU</u>]
- Please read carefully our <u>FAQs</u> before contacting us.

\* New requirements might be added. Please check out the latest information accordingly on the web (<u>http://www.eng3.e.titech.ac.jp</u>) or contact <u>ko.intl@jim.titech.ac.jp</u> before you submit the applications.
