

インド工科大学マドラス校(IITM) オンライン・インターンシップ e-GRIESHMA 募集要項

【概要】 インド工科大学マドラス校（インド）主催のオンライン・リサーチ・インターンシップ
(詳細はこの頁の下に続くインド工科大学マドラス校 e-GRIESHMA のプログラムを参照してください)

【期間】 3か月

【費用】 なし

【応募資格】

東工大正規課程学生で、工学院、物質理工学院、環境・社会理工学院のいずれかに所属する
学士課程最終学年ならびに修士・博士課程の学生（国籍・性別・学年・所属は不問）。

【応募方法】

2020年8月31日（月）までに国際交流支援チームにメールにて連絡の上、
インド工科大学マドラス校のウェブサイトより応募してください。

※メール宛先：ko.intl@jim.titech.ac.jp 国際交流支援チーム・津田宛

※応募書類のうち、Acceptance Letter は必要ありません。Nomination Letter については、
各自、自由様式にて指導教員より署名をいただいたものを作成し、提出してください。

【結果通知】 インド工科大学マドラス校より直接、通知されます。

【問合せ先】

工系国際連携室 大岡山キャンパス 本館2階227号室（担当：津田）

メール：ko.intl@jim.titech.ac.jp 電話：03-5734-3969

Call for Applications INDIAN INSTITUTE OF TECHNOLOGY MADRAS (INDIA) e-GRIESHMA (Virtual Global Research Internship in Engineering Science Humanities and Management)

Outline: Virtual Research Internship held by Indian Institute of Technology Madras (India)
(For the details, refer to the following documents)

Period: 3 months

Expenses: No tuition fee

Prospective Applicants:

UG Final Year Students or Postgraduate Students enrolled at

* School of Engineering

* School of Materials and Chemical Technology

* School of Environment and Society

How to apply:

- 1) Inform your intention of application to International Exchange Team, Engineering Schools (e-mail: ko.intl@jim.titech.ac.jp)
- 2) Apply via the website of IITM (refer to the following pages) by Mon, 31 August, 2020.
 - “Acceptance Letter” is not required. Prepare the “Nomination Letter” signed by your academic advisor by yourself.

Selection Result:

Notified by IITM

ABOUT IIT MADRAS

INDIAN INSTITUTE OF TECHNOLOGY
MADRAS, THE FORERUNNER IN
TECHNICAL EDUCATION SYSTEM IN
INDIA, WELCOMES ASPIRANTS
TO UNDERGO INTERNSHIP
IN THE 60 YEARS YOUNG
INSTITUTION.

**RANKED No. 1 BEST UNIVERSITY IN INDIA FOR 5 YEARS IN A ROW,
IITM OFFERS EXCITING OPPORTUNITIES FOR RESEARCH AND EDUCATION.
WITH A SPRAWLING CAMPUS OF 620 ACRES, FACULTY OF INTERNATIONAL
REPUTE, WORLD CLASS LABS AND INDIA'S 1ST UNIVERSITY-BASED
RESEARCH PARK; IITM IS THE IDEAL PLACE FOR REALIZING
YOUR RESEARCH GOALS.**

THE PROGRAM

- IIT Madras is offering online internships this year for final year undergraduate or postgraduate students
- Three months online research internship
- Students will be selected through a competitive screening process
- Apply for an opportunity to work with dynamic and experienced IITM faculty

THEMES AND TOPICS

Combustion

Atmospheric Sciences and Technology,
including climate science and climate change

Nano/bio materials and devices

Sustainability

Technology and policy

Computational sciences applied to Environmental science and
engineering in the following (and not restricted to) areas
MEMS, NEMS, Lab on a chip, microfluidics and applications

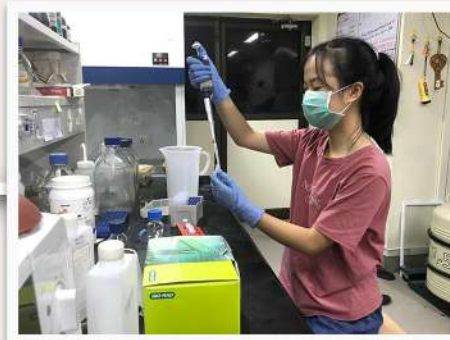

Bio- engineering – applications and devices Advanced
sensors for national security and personal health

Management studies

Social Sciences

Healthcare

Data Science

SELECTION PROCESS

- Students are requested to submit their applications through our online portal (<http://www.oir.iitm.ac.in/web-form/>) along with the required documents on or before 31st August 2020.
- Applications are sent to the respective Departments for selection.
- The students might be called for an online interview, if required.
- The shortlisted students will be registered for the e-GRIESHMA program with an allotted mentor and their user credentials will be shared
